Description

Belgrade Fair is the largest and most successful trade fair institution in Serbia and the Southeast Europe. Through its events, Belgrade Fair “brought” to Belgrade and Serbia countless worldwide manufacturers in various fields and economic branches, featured many latest top quality technologies and products and the world premieres are not rare, either. The highest level method of event organizing and the level of the services provided by it enabled numerous events to be received into various renowned worldwide organizations and associations. The sign of the International Fair Union - UFI is carried by six large events - the Building, Technical, Furniture, Book, Tourism and Energy Fairs. The Motor Show is a member of the International Organization of Motor Vehicle Manufacturers - OICA. In addition to belonging to the Exhibition Association of the Southeast Europe (EASE), Belgrade Fair is also a member of the Central European Fair Alliance (CEFA).
