Opis

FAGUS group is one of the largest producers based in South East Europe. FAGUS owns 8 different companies which are manufacturing different products: from half-edged boards in soft and hardwood to windows, doors and pellet as final products. Annually we do process more than 100.000m3 of different species of wood, and range of products is getting bigger day by day. www.silvatika.biz - Hardwood sawn timber and semi-final products www.abisrs.biz - Softwood sawn timber and semi-final products www.nomar.biz - Softwood sawn timber and semi-final products www.vrbanjasume.biz - Firewood www.arboreko.biz - Wood pellets and briquettes www.fagushaus.biz - Windows and doors
